This Avalon Park home series was designed with alley-loaded garages for a pedestrian-friendly lifestyle and a pleasant streetscape. The three- and four-bedroom plans all feature family rooms, dinettes, lanais, trayed ceilings, and large master suites. The architectural character incorporates colonial, craftsman, bungalow, and gothic revival styles.

The Classic Series at Avalon Park is comprised of innovative one- and two-story home plans with optimal space usage and recessed garages. These particular homes provide front- loaded garages, either three or four bedrooms, kitchens with breakfast nooks, formal dining and living rooms, and large leisure rooms.
