The Reunion Resort Club of Orlando is a master planned 'family-oriented' community situated on 2,300 gently rolling acres in Osceola County. Canin Associates was responsible for providing the master planning and detailed landscape/hardscape design, construction documents and construction administration services for many of the project's parks, common area infrastructure and aquatic facilities. Chief among these was the \$10.8 million water park is located on a five-acre site in the center of the resort and caters to residents, vacationers, golfer's families and visitors staying at the resort. Canin Associates was honored with an award of excellence from ARDA and an award of honor from the Florida Chapter of ASLA for the design of the water park.
